ABOUT US

Welcome to Wild Shakes Café, where we bring a wild, flavorful twist to your favorite refreshing treats! Established in July 2021 along Pendatun Avenue in General Santos City, Wild Shakes was born from a passion to challenge a saturated beverage market and give people something truly extraordinary.

We are dedicated to crafting premium fruit shakes and milkshakes packed with bold, unique flavors. By combining real, fresh fruits with our signature milk formula which keeps our drinks thick, rich, and creamy for hours without diluting every single sip leaves you wondering why it tastes so wild. Beyond our signature beverages, we offer an inviting space to relax, enjoy great food, and experience top-tier customer service.

OUR HISTORY

— CREATING THE WILD FORMULA

Inspired to break away from standard beverage formulas, the founders focused on creating smoothies that were consistently rich, thick, and packed with unique, jam-packed elements. They perfected a signature milk formula that prevented the drinks from separating or diluting over time, creating a product that quickly set a new standard in the city.

— 2021: THE SPARK OF AN IDEA

Wild Shakes Café officially opened its doors in July 2021 at Pendatun Avenue in General Santos City. It was founded by Mr. Richard Mark Nuñez, a former medical representative in Cebu, who partnered with Ms. Angelique May Lopez to bring a fresh concept to life. Even though the local beverage market was heavily saturated with standard coffee and milk tea shops, the partners saw an untapped opportunity: high-quality, premium non-caffeinated options.

OUR HISTORY

— PRESENT DAY: RAPID GROWTH & FRANCHISING

Inspired to break away from standard beverage formulas, the founders focused on creating smoothies that were consistently rich, thick, and packed with unique, jam-packed elements. They perfected a signature milk formula that prevented the drinks from separating or diluting over time, creating a product that quickly set a new standard in the city.
